

## Supporting you

Moving into a care home and selling your home can be a huge upheaval. Our primary objective is to minimise stress and make this experience as hassle-free as possible.

## Pricing

Set fee of 1% upon completion.

Third party disbursements and fees apply, such as estate agents and conveyancing fees. We will always provide you with written estimates so that you can choose which services you wish to use.

Helping you transition into a care home, hassle-free

We will handle all aspects for you, including:

We understand that deciding to move into a care home during your later years can be a challenging and emotional decision. If you have a home to sell, the whole process can be overwhelming. Our primary objective is to minimise stress and make this experience as hassle-free as possible, to enable you to focus on settling in to your new home.
