

Support services

tailored exclusively to meet **your** needs

“Like having a really competent family member on tap”

Who are we

Our team is led by Emily Allchurch, an Accredited Lifetime Lawyer, Court of Protection Deputy and Regulated Solicitor. Emily carefully selects team members based on their professional experience, their commitment to helping others and their belief in our core values as well as their integrity, honesty, and reliability. They have all received training as Dementia Friends to better support their role and have undergone Enhanced DBS checks.

Property management: we can support with moving, buying & selling and all this involves

We support, co-ordinate & implement your choices

No matter what situation you find yourself in, we are here to provide support for your independent living needs. Whether you need assistance in selecting a residential care setting, respite care, or transitioning back from the hospital or care, we are dedicated to helping you. Our clients come to us through various channels, including recommendations, self-referrals, as well as referrals from family members, doctors, financial institutions, and NHS or Social Care Services.

“Many thanks for all your help and kindness, as always you have been very supportive – what would I do without you?”
